Kristine's update

Don't eat warm food
Integrate with the institute

Reports

FULF

Study barometer, more about later

MNSU

Not much, except for the escape room thing

Institute boards

Exciting finance and economics updates

Stuff about moving and Ullevål, big picture (Earliest done November)

-> To representative: Bring up the trash situation

-> Having a tour of observatory for 1st years (buddy week)

-> Alot of students are actually planning/or probably will end up in work so it's relevant!

-> Institute should be better at helping make connections to work

life (apparently we're attractive)

-> Student barometer, bring up

-> Some complaints about conversations held next to reading hall
